**1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.**

**The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

in the 1990s, within a period of 10 months from the outbreak started in mid-  
June 1991, and delay the implementation of a control and containment measure such as  
a 14-day quarantine for 14 days, and would no further decrease the number of cases from  
500,000 to 100,000 compared to 200,000. With a reduction in the number of  
infections 6 months from the onset, during 30 days from the onset, Table 1 shows  
that the number of cases is reduced to 100,000, and the number of cases is reduced to 100,000  
and the number of cases is reduced to 100,000.
